**Subject:** Meet on July 9th KRCC&EPA Re: Allied Site Follow Up Questions

Good Morning Michael,

Our Kalamazoo River Cleanup Coalition (KRCC) board met last night and we unanimously agreed to accept your offer to meet with us to further discuss our questions concerning cleanup of the Allied Paper Superfund Site in Kalamazoo, MI.

Please confirm you will be able to meet at **6:30pm on Thursday July 9th at the Goodwill offices** (420 E Alcott St Kalamazoo, MI 49001).

Please note that I have copied the KRCC board as well as a few city officials on this email and that we will send an announcement to the larger Allied Site Task Force community to provide notice of this opportunity to meet with you.

Again, thank you so much for your willingness to have additional meetings with us.

Best, Denise

Hello Michael,

Thank you for your response.

Several board members are planning on attending this Wednesday's

public meeting (I unfortunately am not able to attend).

We look forward to learning about and reviewing the finalized documents.

Thank you very much for your willingness to have additional meetings with us. After we have had a chance to review the new documents and discuss the goals and purpose of such a meeting, I will get back to you to confirm. I appreciate your patience in scheduling this.

Best, Denise
